

Amsterdam, October 2, 2007

Dear all,

I am confirming your invitation to our Analyst & Investors day in London (October 8) or New York (October 10). Please note the change to the New York date.

As previously indicated, Akzo Nobel will further explain the strategic rationale behind the offer for ICI and elaborate on the financial strategy of the combined group going forward.

Hans Wijers, our CEO will deliver a presentation lasting approximately one hour which will be followed by a Q&A session, which will include Rob Frohn our CFO.

Details of both events are attached and we look forward to receiving confirmation of your participation.

Best regards,

Dick Luijckx

Director Investor Relations
